Github Page

github page -- pokemon

The screenshot shows a GitHub 404 error page. The large number '404' is centered at the top. Below it, the text reads: 'There isn't a GitHub Pages site here.' Further down, it says: 'If you're trying to publish one, [read the full documentation](#) to learn how to set up GitHub Pages for your repository, organization, or user account.' At the bottom, there is a link to 'GitHub Status' and a GitHub logo.
